

2HB Dual High Brightness Display Series

Double-sided High Brightness 32" / 46" shop window display 2 HB with up to 5000 cd/m²

The 2HB consists of two displays with different brightness. The display was developed especially for use in shop windows, to ensure colour fidelity and a sharp contrast of the content even in direct sunlight. The display on the inside is designed for advertising within the shop.

The luminance of the High Bright Display is about seven times greater than that of a normal display.

The 2HB has a ceiling suspension or it can also be supplied with a stand-mount. For content transfer and playback, a computer and a router / modem are integrated in the device. The service-friendly design means that during maintenance and repairs no dismantling is necessary.

Technical Specifications:

Display 1:	
Brightness:	2500 cd/m ² (32") / 5000 cd/m ² (46")
Resolution:	1080p
Viewpoint:	178°
Colours:	16,7 Mio.
Contrast rate:	1100:1 (32") / 4000:1 (46")
Dimming:	ambient light (integrated brightness sensor) or manual
Display 2:	
Brightness:	500 cd/m ² (32") / 700 cd/m ² (46")
Resolution:	1080p
Viewpoint:	178°
Colours:	16,7 Mio.
contrast rate:	3000:1 (32") / 4000:1 (46")
PC:	Intel® Celeron with 4GB RAM, 64GB SSD
Router:	WiFi / 3G / 4G
Housing:	
Material:	Aluminium, powder-coated
Ceiling mount:	Three-point suspension, adjustable
Measures (WxHxD):	461 x 831 x 119 mm (32") / 632 x 1138 x 158 mm (46")
Weight:	24 kg / 40 kg
Power:	
Voltage:	230 V
Consumption:	1,3 / 3,7 A
